

FOR IMMEDIATE RELEASE

January 13, 2014

West Walker March 1, 2014

Walker, CALIF – The West Walker River has been approved for year round fishing. WWR reg. change opening the West Walker River to winter C & R fishing was adopted and the 2014 date opening will be March 1 to make sure all regulations are clearly defined and advertised.

Regulations are catch and release and barbless hooks or lures only until the April 26, 2014 opening and then again at the end of regular fishing November 15, 2014.

Brochures can be picked up at local stores and business in Walker, Colville CA to explain how to place fish back in water correctly and safely.

The Northern Mono Chamber of Commerce will be stocking fish for the March 1 opening and throughout the fishing season. Bounties and prizes will be awarded to tagged fish. Please bring tag to Walker Country Store or Walker General Store for redemption.

“This is great news for our area and for anglers to come and fish some of the best waters of the year in the West Walker River” says Pam Hamic Chamber President.

Please visit <http://northernmonochamber.com/> for more information and fish stocking dates.
